Homework 1
100 Points

Edit, Compile, Link, and Run
C++ programs

Assignments:
  0. Quiz 1
  1. Compile, link, and run an existing program (output): `Hw1_A.cpp`.
  2. Compile, link, and run an existing program (input and output): `Hw1_B.cpp`.

Run each program once and save the output at the end of the source file as a comment. Compress the source files and upload the compressed file:
22A_LastName_FirstName_H1.zip

Grading
Quiz 1	– 10 Points
`Hw1_A.cpp`.	– 45 Points
`Hw1_B.cpp`.	– 45 Points
